

Please do not consider CBA's request. I have chosen to put my name on the do not call list because I receive 10 or 12 calls every day.

Banks and businesses many times won't take no for an answer, continuing to talk after you've said no.

They call early in the morning and late at night. I've even had a sales call at 7:00 on a Sunday morning. It makes no difference whether I already have done business with the company or not. I don't want to be disturbed at home. I want to be the initiator of a business transaction.

Thank you,
